

Find New Inspirations Then bring them home

2020 Open Studios - Botetourt Tour
Saturday, October 24, 10AM-5PM
Sunday, October 25, 11AM-5PM

Welcome to scenic Botetourt County, Virginia, home of many of the Valley's leading artists. This October, returning artists and their guests offer their work and creativity in unique artist's studios.

Our free, self guided driving tour of working artists' studios, workshops and homes, is your chance to collect new inspirations directly from the artists themselves. Drive from location to location throughout the county while admiring the fall foliage. Look for the Open Studios - Botetourt signs along your way to help guide you in the right direction.

For 2020:
By Appointment Tours
Thursday, October 22
Friday, October 23

Passport Cards, which include tips on how to better enjoy the tour, are available at each stop along the way. Filling out just one card enters you into the drawing* for a \$150 gift card towards

an art purchase, from any single tour artist.

Creativity thrives in wide-open spaces.

Visit us online at openstudiosbotetourt.com for artist biographies, locations and the latest safety updates for this year's tour.

*Drawing to be held at the final artist's meeting after the conclusion of the tour. The winner will be notified at that time.

Special Health Update

Since this brochure is produced well in advance of the Open Studios – Botetourt event, it's not possible to know what the Covid-19 situation will be in late October.

Safety is of primary importance this year and we are taking precautions and following all guidelines to keep our visitors and artists safe. Specific information will be shared on the OSB Facebook page, website and newsletter closer to the event.

Updates will be posted at each location. Hand washing stations will be available and masks will be mandatory. Please remember that many of these locations are in the artists' homes.
